CALL for Papers

Special Issue for SJOM2011

The Asia-Pacific Journal of Operational Research (APJOR) provides a forum for practitioners, academics and researchers in Operational Research and related fields, within and beyond the Asia-Pacific region. APJOR decides to publish a special issue for The 5th Sino-Japanese Optimization Meeting, that will be held in Beijing September 26-29, 2011. We cordially invite SJOM2011 participants to submit their papers of high quality to this special issue. The topics of the special issue include but not limited to:

- ⌚ Numerical Optimization;
- ⌚ Linear and Nonlinear Programming;
- ⌚ Nonsmooth Optimization;
- ⌚ Semidefinite Programming and Semi-infinite Programming;
- ⌚ Convex and Nonconvex Optimization;
- ⌚ Polynomial Optimization;
- ⌚ Stochastic Optimization;
- ⌚ Applications of Optimization;
- ⌚ Optimal Control: Theory and Applications;
- ⌚ Solving Linear and Nonlinear Equations.

* All papers (in PDF format) should be sent to one of three the guest editors by email and the review of each submission will start as soon as it is received.

* Submission deadline: **December 31, 2011.**

* We intend to publish this special issue as early as possible. To ensure we have ample time for the refereeing process, we encourage the intended authors to submit their papers early.
